

## Supporting Information for Academic Roles

### Additional evidence related to Research

Research inspires and drives our academic community; it delivers outstanding outcomes for the student experience and plays an influential supporting role in developing economies, societies and cultures regionally, nationally and globally.

As part of the application process for academic roles, the University would like to assess your research background in more detail. Therefore you are required to upload 2 additional supporting documents as follow;

1. A publication list (please limit this to 2 sides of A4)
2. A supporting statement which covers the following topics (please limit this to 3 sides of A4);
  - List of peer reviewed research outputs since REF2014
  - Research Income secured
  - Experience of research leadership
  - PhD supervisions/completions
  - Demonstrable research impact.
