Role Profile

Part 1

Quality Coordinator

Job Title:	Quality Coordinator
Reference No:	0499-23
Reports to:	Quality Manager
Responsible For:	Providing a professional support service to academic staff and programme teams; coordinating and supporting members of the Quality Support Team.
Grade:	Grade D
Working Hours:	18.5 Hours
Faculty/Service:	Academic Registry
Location:	Sunderland Campus
Main Purpose of Role:	To play a key role in the Quality Support Team and to provide high quality professional support to Quality Support Team members and Quality provision. To play a key role with faculty stakeholders and other professional services within the University. Deliver a high-quality customer service for the Academic Registry at all times.

Key Responsibilities and Accountabilities:**General Responsibilities**

- Supervise the work of Quality Support Assistants on a day-to-day basis, in consultation with the Quality Manager and Quality Officers.
- Act as the key contact point to coordinate and support the delivery of all activities associated with Quality activity in accordance with institutional and relevant professional and regulatory body policies.
- Maintain, evaluate, develop and monitor processes and procedures that support all areas of quality support; suggest and implement improvements
- Take the lead on giving advice on a wide range of enquires.
- To keep abreast of internal and external developments, including those of the Office for Students and the Quality Assurance Agency.
- Coordinate aspects of quality support, including the implementation, review and continuous improvement of related processes and systems.
- To provide subject matter input and for task and finish groups, working collaboratively with internal and external stakeholders.
- Line management of Quality Team members.

Programme and Partner Approval Reapproval

This will include, but is not exclusive to, the following:

- Managing the Quality events schedule, ensuring that the schedule is up to date
- Preparing reports on the progress of programme approval and partner approval, for the Quality Team to inform reports to Academic Board, and relevant committees.
- Acting as Officer to straightforward programme and partner approval panels.

Articulation Agreements

To be responsible for Articulation timelines and coordination and this quality process.

External Examining

To be responsible for oversight of the external examining process including, but not exclusive to:

- Co-ordinating the approval of new external examiners through Academic Development and Quality Sub-Committee (ADQSC)
- Organizing the annual induction process for new external examiners, including ensuring that online induction materials remain current and relevant and coordinating arrangements for the induction webinar
- Production of the annual overview reports for the University committees and following up on committee actions from the overview reports
- Oversight of the process to ensure that all external examiner reports are published effectively.

Data and Management Information

To be responsible for gathering data and management information in support of approval and review activity including:

- Liaising with Planning-MI to ensure that data sets can be provided to Programme and Partner meetings and panels that are current and relevant and meet University KPIs
- Providing information to panels in accessible formats that can be easily understood.
- Engaging in and undertaking project work for data and information management systems, process and policy review.

Minor Modifications

To be responsible for the oversight of the minor modifications process, including, but not exclusive to:

- overseeing the work of the Quality Support Assistants in relation to minor modifications to balance workloads and meet deadlines
- Leading on the ADQSC approval process for minor modifications to programmes and modules
- Providing overview reports on minor modifications to the University committees.

Operations Manuals / Programme Handbooks

To be responsible for the review of operations manuals and handbooks including:

- Proactively liaise with Quality Support, Programme Administration, faculties and services to ensure that information and reference points are up to date and accurate

- Disseminate manuals to collaborative partners
- Act effectively as the key point of contact for operations manuals for collaborative partners
- Work with Quality Officers to develop new manuals where new or varied models of collaboration are agreed.

Other

Undertake duties commensurate with the grade as determined by the Quality Lead.

Special Circumstances:

Flexibility in relation to working arrangements is essential. Occasional out of hours working will be required as the role holder will be expected to work additional hours at peak times of the year and may have to undertake UK and international travel as necessary. Annual leave may be restricted at certain times of the year.
